1. **First--**The Government of Quebec bounded on the Labrador Coast by the River St. John, and from thence by a Line drawn from the Head of that River through the Lake St. John, to the South end of the Lake Nipissim; from whence the said Line, crossing the River St. Lawrence, and the Lake Champlain, in 45. Degrees of North Latitude, passes along the High Lands which divide the Rivers that empty themselves into the said River St. Lawrence from those which fall into the Sea; and also along the North Coast of the Baye des Chaleurs, and the Coast of the Gulph of St. Lawrence to Cape Rosieres, and from thence crossing the Mouth of the River St. Lawrence by the West End of the Island of Anticosti, terminates at the aforesaid River of St. John.
2. **Secondly--**The Government of East Florida, bounded to the Westward by the Gulph of Mexico and the Apalachicola River; to the Northward by a Line drawn from that part of the said River where the Chatahouchee and Flint Rivers meet, to the source of St. Mary's River, and by the course of the said River to the Atlantic Ocean; and to the Eastward and Southward by the Atlantic Ocean and the Gulph of Florida, including all Islands within Six Leagues of the Sea Coast.
3. **Thirdly--**The Government of West Florida, bounded to the Southward by the Gulph of Mexico, including all Islands within Six Leagues of the Coast, from the River Apalachicola to Lake Pontchartrain; to the Westward by the said Lake, the Lake Maurepas, and the River Mississippi; to the Northward by a Line drawn

And to the end that the open and free Fishery of our Subjects may be extended to and carried on upon the Coast of Labrador, and the adjacent Islands. We have thought fit. with the advice of our said Privy Council to put all that Coast, from the River St. John's to Hudson's Streights, together with the Islands of Anticosti and Madelaine, and all other smaller Islands lying upon the said Coast, under the care and Inspection of our Governor of Newfoundland.
